**Dear Sir/Ma'am**

I am writing to express my interest in the Software Developer position at your company as advertised on your website .With a Bachelor of Technology in Electronics and Communication Engineering from Rewa Engineering College, Rewa, and hands-on experience in software development, I am confident in my ability to contribute effectively to your team.

Throughout my academic career, I have cultivated a robust skill set in software development, particularly in [Java, Javascript, Python, Linux, Docker, Git or Nodejs, React js ]. My coursework and projects have provided me with a solid foundation in coding, debugging, and software design principles. For instance, during my final year project, his experience has honed my abilities in [Full-stack-developer], which I am eager to bring to [Tech-jaguar institute of technology ]

In addition to my technical skills, I pride myself on my ability to work collaboratively in a team setting and to communicate complex technical concepts clearly. My internship experience at [Velvish or tech-jaguar institute of technology ]I teams, where I contributed to [

I have completed full stack development and I have worked on its project and I have used HTML, CSS, JavaScript, ReactJS in the Frontend and Java, Python and Nodejs in the Backend and I have also used SQL and MongoDB in the database.

Responsible for development, support, and testing.

Completed the foundation program training under the stream Java, Linux, Docker and Git]. These experiences have equipped me with a practical understanding of software development in a professional environment. Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passion for software development align with the exciting work being done at [Techjaguar-Institute of Technology, Rewa]. Please feel free to contact me at [7771007607]email at [chaturvedishriya46@gmail.com ]to schedule an interview at your earliest convenience.

**Warmest regards,**

**Shriya Chaturvedi**
