EDUCATION

Govt Hr Sec School, Chauri — *Intermediate*
Jul 2019 – Jun 2020   67 % (Major– Mathematics)
Govt High School, Chauri— *Matriculation*
Jul 2017 – Jun 2018   88 %

PROJECTS

Amazon Clone-Frontend
Built an Amazon Clone using HTML, CSS for layout, React for interactive UI, Node.js for server-side logic, and MongoDB for database management, featuring product listings, user accounts, and secure transactions

Pharmacy web application
Developed an Online Pharmacy Platform with HTML, CSS, Bootstrap for the frontend, and Node.js with MySQL for backend operations, enabling secure medication shopping and prescription management

Home decor web application-Frontend
Created a Home Decor Web App for Mansi Home Decor using HTML, Bootstrap, and JavaScript for a responsive frontend, with PHP and SQL for robust backend management, streamlining online shopping and inventory control

Netflix Clone
Crafted a Netflix Clone utilizing Node.js for responsive front-end design, Django for robust back-end functionality, and MySQL for comprehensive database management, offering streaming services, user authentication, and tailored content recommendations

INTERNSHIP EXPERIENCE

Web Development— *Intern Pedia*   **[Oct - Nov, 23]**
Spearheaded the development of a feature-rich, scalable web application, leveraging modern JavaScript frameworks (React, Angular) and Node.js for the back-end

Full-Stack Development —Techjaguar Institute of Technology   **[July 23 - May,24]**
Designed and developed comprehensive Full Stack applications, conducted in-depth data analysis, and seamlessly integrated cutting-edge technologies. Maintained superior code quality through meticulous reviews and optimizations.

Web Development — *Codeclause*   **[Jun - Jul, 23]**
Developed and implemented responsive web pages using HTML, CSS, and JavaScript under supervision; Contributed to the optimization of website performance and speed.

Web Development — *Velvish Digital Soln*   **[Jul - Aug, 22]**
Supported the web development team in daily tasks, gaining exposure to website structure and design principles; assisted in basic website updates

SKILLS

Frontend Development:
HTML
CSS
Bootstrap
Javascript
Reactjs

Database:
SQL(MySql)

Backend Development:
Java
Python
Expressjs
Web Framework: Node.js

Version Control System:
Git

Devops and Automation(testing):
Linux
Docker
JUnit
Selenium
TestNG

Tools:
IDE(VS code, IntelliJ IDEA)
Debugger(GDB)

AWARDS

2nd Position in Quiz Competition
Secured 2nd Position in the "Culture of India" Quiz Competition

Best Coordination Award
Received the "Best Coordination Award" for outstanding event management during the annual college fest

Best Player Award
Awarded "Best Player" in Volleyball by the Head of the Sports Club

CERTIFICATIONS

Full stack Developement

Frontend Development

Java

Python with OOPs

Linux for Beginners

LANGUAGES

Hindi (Fluent)

English (Fluent)
